NEW SPARK: IDENTIFYING AND SUPPORTING TRAFFICKED YOUTH

Explore ways to identify signs of trafficking and sexual exploitation among youth in this new Spark training created by AHI. Sparks are 15 minute, ready-to-use trainings that can be delivered to your entire health center or organization. By the end of this Spark, participants will be able to identify signs of trafficking as well as describe strategies for providers and staff to support trafficked youth patients. **Download the free training today!**
